

Saskatoon Golf Club 2018 Looney Toon Golf League

What: Thursday Men's League – for the serious and not so serious golfer!

Who: Two-person teams, any skill level are welcome to join! This is a handicapped league with the Golf League Network doing the scoring, point allocation and scheduling. All players will be able to log in to the Golf League Network and check their standings at any time.

When: Thursday evenings. We will offer 2 flights:

- Flight 1 tee times: 3:48, 3:56, 4:04, 4:12 and 4:20PM
- Flight 2 tee times: 5:56, 6:04, 6:12, 6:20 and 6:28PM

We will rotate throughout the four nines. The league plays from May 3rd through August 2nd. August 9th will be a fun night and the end of year banquet. This is a 15-week schedule.

Format: Each week will be a net team best ball. Both players play their individual ball through the hole, taking the best net score. You will be competing against the team with whom you are paired. Each hole will be worth 1 point, and low total (net) will get 3 points, totaling 12 points per week. Cumulative point total after 14 weeks will determine the winners. Each flight will be a separate league and will not compete against the other flight.
