

Saskatoon Golf Club 2018 Couples Golf League

What: Friday Couple's League (every other Friday)

Who: Two-person teams, any skill level are welcome to join! This is a handicapped league with the Golf League Network doing the scoring, point allocation and scheduling. All players will be able to log in to the Golf League Network and check their standings at any time.

When: Every other Friday evening beginning May 18

- Tee times: 5:24, 5:32, 5:40, 5:48, 5:56

The league plays from May 18 through August 24 with play rotating through the four nines. There will be a fun night and the end of year banquet at the conclusion of the league. League fee covers weekly prizes, tournament awards and banquet. This is an 8-week schedule, which will conveniently skip July 4th holiday week.

Format: Each week will be a net team best ball. Both players play their individual ball through the hole, taking the best net score. You will be competing against the team with whom you are paired. Each hole will be worth 1 point, and low total (net) will get 3 points, totaling 12 points per week. Cumulative point total after 8 matches will determine the winners. Each flight will be a separate league and will not compete against the other flight.
